

Smartwater is here.....

- **Property Marking Solution**
- **Marks valuables with a unique forensic “DNA”**
- **Quick & easy to apply to any item**

Co-ordinated by Warwickshire Police through your local Neighbourhood Watch Group, you can now protect your treasured possessions by marking them with Smartwater - a harmless yet powerful liquid containing its own built-in “DNA” identity. Ideal for all electrical equipment (including circuit boards) computers, TV’s, videos, mobile phones, jewellery, art works, antiques and 100’s of other uses.

By marking your valuables with Smartwater you can ensure any lost or recovered stolen property can be easily identified and returned to its rightful owner.

This service costs approximately £4.50 *per household*, which *includes* erection of local street warning signs. To register your interest, complete the tear off slip below and return it to PC Claire Clayton. Boxes are available for return of this and other items at both D & A News, 37a Woodlands Road and Binley Woods Post Office, 106 Rugby Road. Thank you.
